Pat,

Yes, that does help very much. If we are going to do it in multiple emails, I will identify that and the number of emails in the first email tomorrow.

I believe the email limitation is 25 M total, inclusive of all attachments. If needed, you could submit a series of emails with some attachments in each. Just make sure we know how many emails total to expect.

Hope this helps.

Thanks Pat. I believe we have been able to get all files to a manageable size. Do you know what your size limitation is?

Good afternoon, Kodi;

In advance of your submittal due tomorrow in response to the CHS information request, I wanted to let you know that we would appreciate you sending any of the information you can by email. However, if there are any large files, our email sever may reject them. Options to sending large files by email would be setting up and granting Paul Marshall ([marshall.paul@epa.gov](mailto:marshall.paul@epa.gov)<<mailto:marshall.paul@epa.gov>><<mailto:marshall.paul@epa.gov>>) access to a files sharing service (fyi, Paul has access to DropBox) or sending a CD/DVD or thumb drive by overnight carrier.

Thank you in advance for your cooperation. Please let me know if you have any questions. I will not be in the office on Friday, but you can reach me by phone, if needed.
